On 1/22/16 at approximately 1843 hrs., I, Michael Hingtgen, was assigned to patrol in the city of Lake Stevens, WA. I was operating a fully marked patrol car with large reflective words "POLICE" on both the driver and passenger side of the vehicle. My patrol vehicle has an attached overhead emergency light bar with both red and blue LED lighting. During patrol, I was wearing a uniform with the with department patches on each shoulder and the words "Police" on the chest and back.

I was dispatched to a cold hit and run collision that had occurred at 717 SR 9 NE, Safeway. I contacted the reporting party, Helvey, Brent J (2/19/86). Brent stated that they had gone to Safeway around 1730 hrs. He stated that upon returning to their parked 2012 Ford F150, WA LIC #C85713E, they had a business card from Walker, David M (8/7/75). The business card indicated that David had seen the vehicle that dented his rear bumper and provided a description of a black in color Ford F150 with WA LIC #C63738E. Brent stated that he looked at his bumper and immediately noticed that the driver's side corner to his rear bumper had been damaged. Brent stated that the damage had not been their previously.

I asked Brent how he would like to proceed in regards to a criminal investigation. He stated that he would prefer not getting anyone in trouble but would like to have his bumper fixed.

Based on this, I contacted the registered owner of the black Ford F150, Finley, Christopher B (5/22/91). I attempted to contact the last known phone number for Christopher and left a voicemail for him. I then was able to contact Christopher at his residence in the city of Marysville. When I contacted Christopher, I immediately noticed that he was slurring his words and unable to stand without drastically swaying from side to side. I could smell the strong odor of intoxicants emitting from his breath and/or person while at the front door of his home.

I asked Christopher if he had just been at Safeway. He stated that he had just been up there getting dinner. I asked him if he had been involved in any kind of collisions in the parking lot. Christopher said words to the effect of, "I don't think so." I walked around the vehicle and was unable to immediately notice any damaged items in the dark environment.

I informed Christopher that a third party had witness him strike a vehicle in the parking lot. Christopher stated that he didn't recall that. I asked Christopher if he started drinking when he got home. Christopher said, "Yeah." I asked Christopher for his insurance information to provide to Brent. He provided me with a valid document. I informed Christopher that I would be providing Brent with his name, insurance information, and phone number. Christopher said, "Thank you."

I contacted Brent and provided Christopher's information. Brent stated that he would contact his insurance and provide him with both Christopher's information as well as David's contact information.

On 1/28/16, I received a follow up request from Brent. Brent informed me that he had

contacted his insurance company regarding the incident, who in turn contacted Christopher. Brent was informed that Christopher had denied 1/28/16, I received a follow up request from Brent. Brent informed me that he had contacted his insurance company regarding the incident, who in turn contacted Christopher. Brent was informed that Christopher had denied the collision. Brent said to have his vehicle fixed, his insurance company was requiring a police report. I informed Brent that a witness statement was required. Brent completed and returned the document promptly.

On 1/28/16, I contacted David by phone. I was unable to contact David but left him a voicemail. I contacted David again on 2/2/16 but was unable to contact him. On 2/3/16, I received an email from David, in regards to what he had seen.

David described in his email that he had seen the black Ford F150 back up and strike the gray Ford F150 in the rear bumper with his rear bumper. David said that he could hear a loud crunch sound. David also stated that another individual was in the parking lot when it occurred and began yelling at the driver to stop. David said that the driver stopped momentarily and then sped out of the parking lot. David stated that he then wrote down the license plate, but was unable to notice any characteristics of the driver.

Due to David's statement, it was clear that Christopher's Ford F150 had been involved in the collision but I was unable to determine who was operating the motor vehicle. At this time, there will be no further criminal charges.

I completed a Washington State Collision Report in regards to the suspected hit and run collision.

## STATEMENT:

ON 1-22-16 AT 5:36 P.M. OUR GREY 2012 FORD F-150 WAS PARKED IN THE SAFEWAY PARKING LOT IN LAKE STEVENS. WHEN WE RETURNED TO OUR VEHICLE AFTER SHOPPING, WE HAD A NOTE AND BUSINESS CARD ON OUR WINDOW. THE NOTE SAID, "I SAW WHO DENTED YOUR REAR BUMPER. IT WAS A BLACK FORD PICK UP, LICENCE PLATE # C63738E. CALL ME IF YOU NEED ME TO BE A WITNESS. SIGNED AND DATED." WE CALLED 911 RIGHT AWAY TO REPORT THE DAMAGE. WE TURNED IT INTO HIS INSURANCE COMPANY BUT WHEN THE INSURANCE COMPANY ASK FOR HIS SIDE OF THE STORY HE SAID, HE DIDN'T HIT OR BACK INTO ANYONE. SO THE INSURANCE COMPANY WANTED A CASE #. SO WE CALLED TO CONTACT OFFICER HINGTGEN AGAIN TO FILE A INCIDENT STATEMENT.

**Subject:** Lake Stevens Safeway parking lot hit and run

Hello Officer Hingtgen, I have received your messages but it looks like we have had a hard time connecting. I did witness the hit and run accident at the Lake Stevens Safeway parking lot on 1/22 at approx 17:35.

I was facing the store when I saw a black pickup truck, license plate #C63738E back up into the rear bumper of the grey Ford pickup and dent it's rear bumper. The driver of the black pickup truck stopped briefly. Another person in the Safeway parking lot yelled at the driver to stop. The black pickup began to accelerate away, so I copied down the license plate number as it was clear that he was not going to stop. The impact made a loud 'crunch' sound, so I'm sure that the driver of the black pickup knew he had collided with something. I was not able to ascertain a physical description of the driver of the black pickup truck.

I don't recall seeing any damage on the rear end of the black pickup truck, but there was a dent in the chrome bumper of the grey pickup.
